

BIDDERS CONFERENCE	Date: Wednesday, January 21, 2009, 1:30PM-4:00PM MST
Agency: Transportation	ITB #K083070, Traffic Signal System for the City of Moscow, Idaho

ORAL INFORMATION: Questions concerning a Solicitation must be directed in writing to the designated purchasing official in the period of time prescribed in the Solicitation document. Bids, Proposals, or Quotations deviating from the specifications by any means other than an authorized written addendum will be subject to rejection. The State will not be responsible for any verbal or oral information given to Vendors by anyone other than an authorized purchasing official. Reliance on any oral representation is at the Vendor's sole risk. Unless otherwise provided in the Solicitation documents, questions will not be considered if received less than five (5) working days before the closing.
